 - Total maximum points: $P=40$
 - exercises for labs + your activity + your homeworks
 - to pass: $P \geq 20$
- Final exam
 - Mandatory written test: 3 parts, ~1 hour
 - each gives you a max. of 20 points, the total $E = 60$ points
 - you must have at least 50% of points from each theme covered by a test part and 50% of points in total
 - Final score:
 - $P + E = 100$ maximum points
 - The more points you have from labs, the better for the exam!

Assessment – Final Marks

Mark	Points	In words
