- Final exam
  - *Mandatory written test: 3 parts, ~1 hour*
    - *each gives you a max. of 20 points, the total  $E = 60$  points*
    - *you must have at least 50% of points from each theme covered by a test part and 50% of points in total*
  - *Final score:*
    - *$P + E = 100$  maximum points*
    - *The more points you have from labs, the better for the exam!*
